Rishikesh styles itself as the 'Yoga Capital of the World', with masses of ashrams and all kinds of yoga and meditation classes. Mussoorie: Established by the British in 1823, Mussoorie became popular after the British era. The ghosts of that era linger on in the architecture of the churches, libraries, hotels and summer palaces. The town is swamped with visitors between May and July, when it can seem like a tacky holiday camp for families and honeymooners. During monsoon, the town is often shrouded in

clouds. When the mist clears, views of the green Doon Valley and the distant white-capped Himalayan peaks are superb, and in the hot months the cooler temperatures and fresh mountain air make a welcome break from the plains below. Central Mussoorie consists of two developed areas: Gandhi Chowk (also called Library Bazaar) at the western end, and the Picture Palace at the eastern end, linked by the 2km long Mall road.

Note: Lal Tibba Landour etc places will be difficult to cover due to narrow road. Local car may be required at own cost.

fixed / meal credit. Any items which are not in their Buffet / Fixed menu will be charged extra at the time of consumption. Hotels decide the menu and options of items for the menu. Some hotels have a Meal credit policy instead of a Buffet or Fixed Menu during low occupancy in the hotel – This meal credit amount is decided by hotel management – if the bill goes above the given meal credit amount then the extra amount should be paid directly at the respective hotel. Room service for the food or packing is charged extra at many hotels.
4. Normally for extra beds in double sharing rooms many hotels have rollaway beds while the rest of the hotels provide extra mattresses only. If you are not comfortable with the rollaway beds/mattress system instead of the proper bed let us know in advance at the time of inquiry.
5. Unless mentioned specific room at the time of booking. By default base, category rooms are booked. If you want rooms with a view or balcony only kindly mention it at the time of inquiry.
6. In the hill area many hotels don't have TV, AC, Intercom, Wifi, 24*7 Power Back Up, or lift. Kindly check if you are interested in hotels with the above facilities at the time of inquiry. Room heaters may be charged extra at hotels. Lift is mostly not available if any issue with stairs let us know in advance. Many hill station hotels don't have AC but are just a fan even in 4-star hotels, kindly check before confirmation.
7. If you book more than one room it may be possible that not all rooms are on the same area or same floor or exactly the same even in the same category or at the same price. Many people travel in groups at Chardham so room allocation will be as per hotel management. Room selection before the check is sometimes not possible even if they are empty at the time of check-in as room allocation is decided in advance for groups. Sometimes hotels have the same price for all rooms but some rooms will be better than others but it is not possible to give all clients the best rooms even if you book 3-4 months before. Kindly cooperate for the same at the time of check-in.
8. No refund for short stays or unveiled facilities.
9. AC will not work in all hill areas or stopped/parked vehicles. (Uphill downhill or flat hill road, ac will not work in any roads on hills). In Uttarakhand only Dehradun, Corbett, Haridwar, and Rishikesh are nonhill areas. All other areas are mountains and on all mountain roads from ac will not work in the car. Extra charges will be applied if full ac car will be required. Tourist vehicle AC often feels less cool than private cars, especially in summer.
10. We reserve the right to give you a similar car if the car you booked is unavailable. Due to any reason if vehicle breakdown due to technical reasons we will try our best to arrange another vehicle as soon as possible for the major problems. For minor problems which will not take much time vehicle will be repaired. Kindly cooperate.
11. In case you want multiple visits to some particular place kindly mention it in advance because some places are having very high charges for parking.
12. Tour pick up and drop point will be one only (If multiple airport/train pickups please mention email conversation before booking) Tour destination/route cannot change without prior notice (Amended route and tour Destination rates may be changed).
13. If package pick up drop is from Delhi / Dehradun local sightseeing/usage is not included in any program unless we have mentioned it in the itinerary. Due to the large area of these cities, extra charges may be applied for extra sightseeing. Kindly check with clients if they want to include it if drop is late night or early morning pick up.
14. In some hill areas roads driving after sunset and music are not allowed due to the risk of life. Kindly cooperate for the same.
15. The rates are subject to change, depending on the sudden inflation of diesel/Petrol prices in India or very high inflation due to economic crisis. However, it's a very rare case and we have never needed to change an agreed price so far.
16. Sometimes vehicle parking areas little far from the sightseeing spots. Guests need to reach the parking at their own cost. At many of the tourist destinations/hill stations - some of the roads/shopping markets/mall roads have "NO ENTRY" for all / some bigger tourist vehicles depending on the destination along with time restrictions also. In this kind of situation, guests have to manage another available mode of transport with an additional cost and on a direct payment basis, this cost is not

included in the ideal package inclusion. The driver will not drive in No-entry zones and should not be forced to drive on narrow streets or roads which can create a traffic jam. Normal working hours of driver is 11 hrs in case you want services more than 11 hours in a day kindly inform us in advance.
17. Car booked for the tour is as per the program. Car is not on a disposable basis unless we have informed you in advance at the time of booking. In Chardham, we don't give cars based on the km limit where guests can travel as per their choice of 200-300 km per for unlimited hours per day. Sightseeing will be as per the program and extra sightseeing not on the route sometime cost extra. During the peak season, car/taxi rates are almost double than the off-season for Chardham and that too doesn't include any extra sightseeing.
18. Vehicle will be permitted to use for sightseeing points on the route and inside the city limits or which is mentioned in the itinerary. All nearby sightseeing points should be covered together. However, in case of sometime issues with some particular place, we can adjust. For additional sightseeing, off-route sightseeing, sightseeing not inside the city limits, or substitute sightseeing kindly contact the company. A refund is not possible if any particular sightseeing point is not covered. In case you want some excursions kindly inform the company in advance or discuss these things with the company rather than the driver.
19. In Mussoorie Nainital many hotels are directly accessible car. On Mall Road cars will not drive at these places. In Mussoorie, bigger cars will be difficult to drive in areas like Lal TIbba which most drivers will not drive. In Nainital car will not go to Zoo Road / Snow View Point. Sometimes in Nainital local car is required due to strict local rules against the outside cars. The small vehicle can be used in this case at an extra cost payable directly. In Nainital bigger vehicles like Tempo Travellers are not able to reach inside most of the hotels.
20. No cancellation or any refund will be made if the situation is beyond our control, such as bad weather, landslide, climatic conditions or any other natural disaster, fire, any embargo, acts or decisions of government, political or national crisis, roadblocks, heavy snowfall, acts of terrorism or other similar causes, strikes or problems at airlines, rails, buses, hotels or transporters, labor unrest, insolvency, business exigencies, operational and technical issues, route and flight cancellations or due to which the customer could not reach the destination and which is beyond our control.
